*Coming Together to Create Economic Opportunity
through the MetroWest Workforce Development Project*

Thursday, September 28, 2023

The Verve Hotel, Natick / 4:30 - 6:30 p.m.

Yale Appliance and the Sheinkopf Family
2023 Corporate Community Philanthropist Honoree

Christine Schuster, CEO & President, Emerson Health
2023 Community Philanthropist Honoree

Join the Foundation for MetroWest at the 10th annual Community Leadership Reception as we commemorate the inaugural year of the MetroWest Workforce Development Project.

- The MetroWest Workforce Development Project focuses on income inequality that persists in the MetroWest and provides a path to financial stability for under resourced youth and underemployed or unemployed adults. Join us to hear stories of impact from the project's first year and how the programs being funded are increasing access to well-paying and high-demand jobs.
- At the event we will also honor the unwavering generosity of Yale Appliance and the Sheinkopf Family, and Christine Schuster, President & CEO of Emerson Health System, as they receive our 2023 Community Leadership Awards.
